Leron,

As provided in Board Regulation No. 2, Paragraph 2.17(a), in advance of an administrative enforcement hearing, the Executive Director must provide to the Respondent a list of witnesses he intends to call at the hearing and copies of any exhibits he intends to introduce. Aside from that, as per Regulation No. 2, Paragraph 2.17(b), there shall be no other discovery unless voluntarily agreed to by the Executive Director and Respondent.

Executive Director's Exhibit No. 9 includes the Proposal for Consulting Services Mr. St. Vincent submitted to OAR and the Miscellaneous Purchase Order the Finance Department issued to pay him for the services he provided. Both documents state that Mr. St. Vincent's term of employment with the City terminated on June 30, 2015.

I have attached a copy of Mr. St. Vincent's CV to this email.

Enforcement Staff have no knowledge as to why Mr. St. Vincent is no longer working for the City, aside from the fact that his agreement to provide services ended on June 30, 2015. You will be free to ask him that question on cross examination.

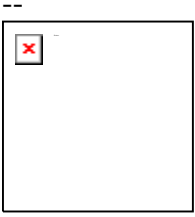

Regards,

Michael J. Cooke, Esq.
