Ms. Lin

I do have a strong believe (and evidence) that Mr. Segall and Mr. Cooke (with a good knowledge of the law) did some stuff that have a bad taste , and it does have to do with this case.

I will prove it at the hearing

And if it contradicts with this hearing, I am asking to assign different lawyers and have them as witnesses and I want to be able to question both of them

Thank you

Diana,

We reiterate our objection to Mr. Ben's attempt to call me and Jordan as witnesses at his hearing. Neither of us can provide competent testimony in this matter because we do not have personal knowledge of the events that gave rise to the underlying alleged violations. The purpose of the scheduled hearing is to give Mr. Ben an opportunity to contest the allegations in the Executive Director's Notice of Administrative Enforcement. The hearing is not a forum for Mr. Ben to air his (meritless) complaints about the conduct of the investigation that preceded the initiation of this enforcement action.

Ms. Lin

In response to Mr. Creamer Objection i would ask to honor all requested witnesses, since i do believe that Mr. Cooke And Mr. Segall action and behavior have to do with this case (and i'm going to prove it)

i would offer and agree that Board of ethics will assign other lawyers than the above two, and if needed i will agree to delay the hearing date

I'm asking to subpoena:

1 JORDAN E. SEGALL ESQ. STUFF LAWYER
