STATUS REPORT AND CONFERENCE ORDER

A status conference was held on September 15, 2021 at 10:00 a.m. at which all parties and counsel appeared. As discussed at that status conference, it is hereby ORDERED that each party, through counsel, shall file a Status Report no later than **12:00 p.m. on Friday, September 24, 2021**. The Status Report shall include a concise description of the status of settlement discussions at the time of filing. In addition, if at the time of filing, the parties have not agreed upon a proposed settlement to submit to the Board, the Status Report shall respond briefly to the following questions, as applicable:¹

- a) Identify and describe any differences between you and your opposing counsel regarding material facts that you believe present a barrier to resolving this matter.

¹ The Status Report filed by each party will be considered by the Hearing Officer solely for the purposes of facilitating settlement. While it will be part of the docket, it will not be part of the administrative record before the Hearing Officer or the Board of Ethics in the event that this matter is not settled and goes to a hearing.

- b) Identify and describe any differences between you and your opposing counsel regarding the application of governing law that you believe present a barrier to resolving this matter.
- c) Identify and describe any differences between you and your opposing counsel regarding the legal requirements of a settlement that you believe present a barrier to resolving this matter. Specifically, counsel should identify any settlement terms that they believe must be either included or excluded for a settlement agreement to be legally sufficient to obtain Board approval to the extent that such terms may present a barrier to settlement.

It is further ORDERED that the parties and counsel shall appear for a status conference at **10:00 a.m. on Monday, September 27, 2021** via Zoom.
