ORDER TO CLOSE THE ADMINISTRATIVE RECORD

The Executive Director initiated this administrative enforcement proceeding by filing a Notice of Administrative Enforcement Proceeding (“Notice”) on October 6, 2025, alleging that Otis Bullock, Respondent, failed to timely file a Statement of Financial Interest for 2024 in violation of Code Section 20-610(1). The Notice was served on Respondent on October 6, 2025, via electronic mail with delivery confirmation to OtisBullock@gpca-phila.org.

I issued Procedural Instructions to the parties on October 7, 2025, explaining the Board’s administrative enforcement proceeding process and setting a deadline of October 27, 2025, for Respondent to file a Response to the Notice. The Procedural Instructions provided important information to the parties and, among other things, advised the Respondent of the importance of filing a Response to the Notice by October 27, 2025. The Instructions further advised the Respondent that if he failed to file a Response he would waive his right to have a hearing in this matter.

Respondent did not respond to the Notice. Because Respondent failed to respond, he waived his opportunity for a hearing. (Regulation No. 2, ¶ 2.14 (c)). I then issued a Briefing Order on October 30, 2025, explaining the process for the parties to submit a written record of facts and legal arguments in the absence of a hearing. This Briefing Order was served on the Executive Director and on the Respondent via email and via U.S. Mail to the address listed by Respondent on his 2024 Statement of Financial Interest.

The Executive Director filed a Brief in Support of the Notice on November 7, 2025. The Briefing Order stated that Respondent had fourteen days following the filing of the Executive Director’s Brief, which in this case meant that Respondent had until November 21, 2025, in

which to file a brief on his behalf. The Respondent failed to file a brief. To ensure a full record, I then issued a Supplemental Briefing Order to the parties on December 4, 2025, directing the Executive Director to file a Supplemental Brief by December 16, 2025, providing additional information about communications with the Respondent prior to the filing of the Notice. The Supplemental Briefing Order also gave the Respondent an opportunity to respond to the Supplemental Brief.

On December 15, 2025, the Executive Director requested an extension of time to file his Supplemental Brief until January 15, 2026, which I granted. On December 15, 2025, in response to email correspondence about the extension request, Respondent sent an email to the General Counsel of the Board of Ethics, the Executive Director, and members of Enforcement Staff, stating the following: “I still don’t understand why the Ethics Board is going through all of this. This is much ado about nothing. I filed my financial statements. I have no violations or conflicts of interest. Is this really worth all of this exerted time and resources? It seems like a waste of everybody’s time to me. I don’t understand what this Ethics Board wants from me.”

On January 15, 2026, the Executive Director filed a Supplemental Brief. The Respondent had fourteen (14) days from service of that brief in which to file a response to the Supplemental Brief, if he desired to do so. The Respondent did not file a response to the Supplemental Brief. The Respondent’s above-stated email of December 15, 2025, is Respondent’s only participation in this proceeding to date.

Accordingly, I intend to close the administrative record in this matter on February 19, 2026, ten days from the date of this Order. Thereafter, I will issue my recommendation to the Board of Ethics based upon the administrative record in this matter. The administrative record includes all of the filings and correspondence in this matter. Once the record is closed, the parties may not present new facts or legal arguments. This Order is being entered in advance of closing the record to ensure that the parties understand the procedural posture of this case and to emphasize to the Respondent, who has declined to participate, that there will be no further opportunity to be heard once the record closes.

Accordingly, it is **ORDERED** that the administrative record in this matter will close at 5:00 p.m. on February 19, 2026. Any party who disagrees with the closing of the administrative record on that date may, on or before February 19, 2026, file a written objection stating the factual and/or legal basis for not closing the record, accompanied by any exhibits or other materials in support of the party’s objection that are not already part of the current administrative record. Any party wishing to file an objection shall follow the standard filing procedure as previously ordered and which is summarized again as follows:

Filing Procedure. Submissions may be filed by email or by mail (USPS or commercial mail delivery service). Email filings must be sent to BOEGCStaff@phila.gov. Filings that are emailed are required to be submitted as an attachment in PDF format (not in the text body of an email) and must be received by the Board of Ethics no later than the date on which they are due. Submissions that are filed by mail must be received by the Board of Ethics by the date on which they are due and must be addressed as follows:

Jordana Greenwald, General Counsel
1515 Arch Street, 18th floor
Philadelphia, PA 19102

1. **Format of Submissions.** Written submissions shall be double-spaced in 12-point Times New Roman font. All pages (other than the cover page) of the brief shall be consecutively numbered.
2. **Exhibits.** All exhibits must be clearly marked with a letter. If a document has multiple pages, each page must be marked with the exhibit letter and the page number. For example, if Exhibit A has three pages, it should be marked “A1” on the first page, “A2” on the second, and “A3” on the third. Written submissions shall clearly cite all references to exhibits using the exhibit letter and page number.

If you have any questions about the above Order, please contact Senior Staff Attorney Tom Klemm at Thomas.Klemm@phila.gov (with copies to Jordana.Greenwald@phila.gov and Julia.Sheppard@phila.gov). This includes questions about deadlines, how to file documents, and general questions about how the administrative enforcement process works. If you do not have access to email, you may leave a message at 215-686-9450 and someone will follow up with you. Please remember this is only for procedural questions and not for questions or statements about the substance of the case.

Thank you for your cooperation with this Order.
