***Re: Administrative Adjudication Matter #2510ET21
Request for Extension of December 16, 2025 Deadline***

Dear Hearing Officer:

Pursuant to the Procedures for Administrative Enforcement Proceedings that Supplement Board Regulation No. 2, Paragraph 2, please allow this letter to serve as a written request for extension of the December 16, 2025 deadline for the Executive Director to file a supplemental brief in the above-captioned matter as set forth by the December 4, 2025 Supplemental Briefing Order.

The undersigned, on behalf of the Executive Director, respectfully requests a 30-day extension of the deadline because the Executive Director was out of the country on a pre-planned vacation without access to email at the time the Order was issued, and remains so at the time of filing of the instant request for extension. Accordingly, the Executive Director has been unable to review the Supplemental Briefing Order. The extension is necessary so that the Executive Director may have sufficient time to prepare an appropriate filing.

A copy of this letter has been sent to Respondent in this matter by the methods indicated below.

Thank you for your consideration of this request.

Respectfully,

/s Richard Barzaga
