**ORDER GRANTING RESPONDENT AN EXTENSION OF TIME TO FILE
A RESPONSE TO NOTICE OF ADMINISTRATIVE ENFORCEMENT PROCEEDING**

The Executive Director served a Notice of Administrative Enforcement Proceeding (“Notice”) on Respondent on October 6, 2025. As explained in the Procedural Instructions issued on October 29, 2025, a response to the notice was due by November 12, 2025. On November 12, 2025, Respondent contacted General Counsel via email to request an extension to file a response until at least November 14, 2025. Respondent noted that she is a caregiver for two family members with medical issues. I am treating Respondent’s email request as a motion for extension of time to file a response to the Notice.

While this request for an extension is untimely under the Procedural Supplement to Board Regulation No. 2, which requires that requests for extension of time be made at least four days before a deadline, I note that the Executive Director does not object to the requested extension. Further, I find that the grant of this requested extension will help facilitate Respondent’s participation in this proceeding.

Accordingly, it is hereby ORDERED that the deadline for Respondent to file a response to the Notice of Administrative Enforcement Proceeding is EXTENDED by five (5) calendar days, to **November 17, 2025**. As noted in the Procedural Instructions, filings must be **received**

by the due date. Please refer to the Procedural Instructions and the materials attached thereto for further details on the requirements for drafting and filing a response to the Notice.

I wish to remind Respondent that it is her responsibility to carefully review the documents provided as part of this proceeding. In particular, the Procedural Instructions and the attached materials provide important information about how this process works, the roles of Board staff, how to file documents, how to communicate with Board staff, and more. Both parties are expected to follow these rules and procedures. If there are any questions, these materials explain how to obtain additional information or clarification.

Thank you to both parties for your compliance with these requirements.
