RE: *Executive Director v. Boyer*, Matter No. 2510ET25

Dear Mr. Boyer,

On February 4, 2026, our office sent you a copy of the Hearing Officer's Supplemental Briefing Order via email to rboyer@ldcphilly.org and via certified mail to the Vine Street address listed above. These are the email and street addresses associated with your 2024 Statement of Financial Interest. While it appears that the email copy was delivered, the certified mail copy was returned as "unclaimed."

The Supplemental Briefing Order provided a final opportunity for the parties to submit information in support of their positions. The Executive Director filed a Supplemental Brief in Support of Notice of Administrative Enforcement Proceeding on February 18, 2026. Under the Supplemental Briefing Order, you had fourteen days from that date to file a response.

Because the paper copy of the Supplemental Briefing Order was returned as "unclaimed," I am providing one final copy of that Order via personal service, together with a copy of the Executive Director's Supplemental Brief. You will have fourteen calendar days from the date you receive these documents to file a response, should you choose to do so. **This is the last opportunity for you to participate in this enforcement action before the Hearing Officer makes a recommendation to the Board of Ethics**.

The enclosed documents are the two most recent items in this matter. The earlier documents listed below were delivered via email and/or mail to the addresses listed above:

- Notice of Administrative Enforcement Proceeding (filed and served by Executive Director on October 23, 2025 via email with delivery confirmation)
- Procedural Instructions (issued and served by Hearing Officer on November 12, 2025 via email with delivery confirmation)

- Notice of Appearance (filed and served by Executive Director on November 12, 2025 via email)
- Briefing Order (issued and served by Hearing Officer on December 4, 2025 via email with delivery confirmation and U.S. mail with delivery confirmation)
- Brief in Support of Notice of Administrative Enforcement Proceeding (filed and served by Executive Director on December 5, 2025 via email and U.S. mail)

Should you need another copy of any of these listed documents, please do not hesitate to contact our office.

While hand delivery of the enclosed documents is not required, our office is providing them by hand delivery to ensure that you have received them and may respond as you deem appropriate. In the future, all documents in this matter will be provided via regular U.S. Mail with copies via email (unless you request to receive them only electronically). The Procedural Instructions have additional details about filing and service of documents in this proceeding.

Please remember that it is your responsibility to provide accurate contact information so that all correspondence reaches you without delay. Should there be any changes to the email or mailing addresses listed above, please provide them immediately by contacting our office using the telephone number or email address provided in the header of this letter.

Thank you for your attention to this matter.

SUPPLEMENTAL BRIEFING ORDER

The Executive Director initiated this administrative enforcement proceeding by serving a Notice of Administrative Enforcement Proceeding ("Notice") upon Ryan Boyer, Respondent, on November 6, 2025, by email. Respondent did not file a Response to the Notice and therefore he has waived his right to a hearing. Thereafter, I issued a Briefing Order on December 4, 2025, with detailed instructions for both parties. *See Procedures for Admin. Enforcement Proceedings that Supplement Board Reg. No. 2* (June 19, 2019) at ¶5. The Briefing Order was emailed to the Executive Director and served upon the Respondent via email and also by Priority Mail sent to the address listed by Respondent on his 2024 Statement of Financial Interest. The Executive Director filed a brief on January 15, 2025. Respondent's brief was due on January 29, 2026. As of the date of this Order, the Board of Ethics has not received a brief from Respondent.

The Executive Director's brief provides evidence regarding the alleged violations. Since Respondent has failed to file a responsive brief or otherwise participate in this proceeding, I want to ensure that I receive evidence from either party that addresses potential mitigating or aggravating circumstances affecting the imposition of a penalty, should I find a violation in this matter. I want to receive this evidence before I issue my recommendation to the Board of Ethics.

Therefore, I request the submission of any additional factual information concerning communications, or attempted communications, between the Executive Director's staff and the Respondent about the alleged violations at issue in this matter, as provided in Paragraph 5 of the Notice. This includes the date, time, place, manner, identity, and relevant content of all such communications or attempted communications. To the extent, if any, that Respondent did not reply to the Executive Director's staff concerning any such communications, or alternatively provided an explanation for not responding , please include that information with specificity.

Accordingly, it is **ORDERED** that:

1. The Executive Director shall file a supplemental brief addressing the matters outlined in this Supplement Briefing Order no later than **February 18, 2026**. The supplemental brief shall be served on Respondent by email and U.S. mail at the address in the caption.
2. Respondent may file a brief in response to the Executive Director's supplemental brief within fourteen (14) days of service of the Executive Director's brief. If Respondent files a responsive brief, the brief shall be limited to only those specific matters discussed in the Executive Director's supplemental brief.
3. **Filing Procedure**. Briefs submitted by the Executive Director and Respondent may be filed by email or by mail (USPS or commercial mail delivery service). Email filings must be sent to BOEGCStaff@phila.gov. Briefs that are emailed are required to be submitted as an attachment in PDF format (not in the text body of an email) and must be **received** by the Board of Ethics no later than the date on which they are due. Briefs that are filed by mail must be **received** by the Board of Ethics by the date on which they are due and must be addressed as follows:

   City of Philadelphia Board of Ethics
   Jordana Greenwald, General Counsel
   1515 Arch Street, 18th floor
   Philadelphia, PA 19102

4. **Format of Briefs.** Briefs shall be double-spaced in 12-point Times New Roman font. All pages (other than the cover page) of the brief shall be consecutively numbered. Briefs should include only those sections that are relevant and necessary (e.g. if no

legal issues are raised, there is no need to propose conclusions of law).

a. **Proposed findings of fact.** The first section of the brief shall set forth proposed factual findings. Each proposed factual finding shall be presented in a separate numbered paragraph and shall be accompanied by specific citation(s) in support of the proposed finding.
b. **Proposed conclusions of law.** The second section of the brief shall set forth proposed conclusions of law. Each proposed conclusion of law shall be presented in a separate numbered paragraph and shall be accompanied by citation(s) to the paragraphs containing the factual findings underlying the proposed legal conclusion. Each proposed conclusion of law shall also cite the specific statutory or regulatory provision that supports the proposed conclusion.
c. **Argument.** The final section of the brief shall contain concise arguments in support of the proposed findings of fact and conclusions of law. All assertions based on statutory or regulatory law, judicial decisions, or Board precedent shall be accompanied by specific citations. All references to facts shall be accompanied by citation to the relevant paragraph(s) in the proposed findings of fact or, if referring to a part of the record that is not included in the proposed findings of fact, by citation to corresponding exhibits.
d. **Certificate of Service.** The last page of the brief shall contain a certificate of service upon the opposing party.

5. **Exhibits.** All exhibits submitted with briefs must be clearly marked with a letter. If a document has multiple pages, each page must be marked with the exhibit letter and the page number. For example, if Exhibit A has three pages, it should be marked "A1" on the first page, "A2" on the second, and "A3" on the third. Briefs shall clearly cite all references to exhibits using the exhibit letter and page number.

If you have any questions about the above Order, please contact Senior Staff Attorney Tom Klemm at Thomas.Klemm@phila.gov (with copies to Jordana.Greenwald@phila.gov and Julia.Sheppard@phila.gov). This includes questions about deadlines, how to file documents, and general questions about how the administrative enforcement process works. If you do not have access to email, you may leave a message at 215-686-9450 and someone will follow up with you. Please remember this is only for procedural questions and not for questions or statements about the substance of the case.

Thank you for your compliance with this Supplemental Briefing Order.

EXHIBIT A

DECLARATION

I, Alexander Kramer, state:

1. I am over 18 years of age. I am fully competent to make this declaration and I have personal knowledge of the facts stated in this declaration.

2. I am a Philadelphia resident.

3. I am employed by the City of Philadelphia Board of Ethics (the "Board") as an Investigative Analyst.

4. As an Investigative Analyst, my duties include contacting individuals who were required to but did not timely file an annual Statement of Financial Interests, also known as the City Form.

5. In the course of this contact, I alert individuals of their failure to timely file the City Form, the deadline for filing the form before the matter is referred to the Board's Enforcement division, and the possible consequences of a continued failure to file.

6. I performed this duty with regards to the City Form for calendar year 2024 ("2024 City Form").

7. Ryan Boyer was required to file a 2024 City Form by May 1, 2025, but failed to do so.

8. After making reasonable efforts to confirm Mr. Boyer's email address, on July 2, 2025, I sent letter correspondence with subject line "Statement of Financial Interests Overdue" to Mr. Boyer via the following email addresses: rboyer332@yahoo.com, with CC to rboyer@ldcphilly.org.

9. The letter informed Mr. Boyer that he was required to but had yet to file a 2024 City Form as of the date of the letter.

10. The letter further stated that Mr. Boyer had 30 days to cure the defect, and that after 30 days the matter may be referred to the Board's Enforcement division for appropriate action.

11. On July 29, 2025, I sent a follow up letter to Mr. Boyer, again via the following email addresses: rboyer332@yahoo.com, with CC to rboyer@ldcphilly.org.

12. The email to which the letter was attached had the subject line "financial disclosure final notice" and the letter itself had the subject line "Follow Up Correspondence – Statement of Financial Interests Overdue."

13. In addition to repeating the information that Mr. Boyer had not filed a 2024 City Form as required, the July 29 letter gave a date certain of August 2, 2025 by which Mr. Boyer was to file the overdue 2024 City Form.

14. The letter also informed Mr. Boyer that after August 2, 2025, the matter could only be resolved through the Board's Enforcement division, that the failure to file a City Form is subject to up to a $2,000 civil monetary penalty, and that matters referred to Enforcement are resolved via public settlement agreement or formal enforcement action.

15. Also on July 29, 2025, I forwarded the July 29 email and letter addressed to Mr. Boyer to another individual named Dione Frith, who had been identified as Mr. Boyer's assistant. The email address I used for Ms. Frith was dfrith@ldcphilly.org.

16. The body of the email to Ms. Frith explained that I was forwarding a letter I had just emailed to Mr. Boyer, that Mr. Boyer had a financial disclosure that was due on May 1, 2025, that I had previously sent Mr. Boyer a late notice on July 2, 2025, and that if that financial disclosure was not completed by August 2, 2025 that the matter would then be escalated to Enforcement.

17. As of the close of business on August 2, 2025, Mr. Boyer had not filed a 2024 City Form, and accordingly, the matter was referred to Enforcement.

18. During my attempts to contact Mr. Boyer as described in paragraphs 8-16 above, I never received a "bounce back" notice indicating that my emails were not being delivered to the email addresses rboyer332@yahoo.com and rboyer@ldcphilly.org.

19. During my attempts to contact Mr. Boyer as described in paragraphs 8-16 above, I never received a response from Mr. Boyer via postal mail, email, or phone call. All communications described in paragraphs 8-16 above included the Board's physical address, my email address, and a phone number by which to reach me.

I, Alexander Kramer, have read the foregoing and verify that the statements made in this declaration are true and correct to the best of my knowledge, information, and belief.

I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities).
