ORDER TO CLOSE THE ADMINISTRATIVE RECORD

The Executive Director initiated this administrative enforcement proceeding by filing a Notice of Administrative Enforcement Proceeding ("Notice") on November 6, 2025, alleging that Ryan Boyer, Respondent, failed to timely file a Statement of Financial Interest for 2024 in violation of Code Section 20-610(1). The Notice was served on Respondent on November 6, 2025, via electronic mail with delivery confirmation to rboyer@ldcphilly.org.

I issued Procedural Instructions to the parties on November 12, 2025, explaining the Board's administrative enforcement proceeding process and setting a deadline of November 25, 2025, for Respondent to file a Response to the Enforcement Notice. The Procedural Instructions provided important information to the parties and, among other things, advised the Respondent of the importance of filing a Response to the Enforcement Notice by November 25, 2025. The Instructions further advised the Respondent that if he failed to file a Response he would waive his right to have a hearing in this matter. The Procedural Instructions were served on both parties via email with delivery confirmation.

Respondent did not respond to the Enforcement Notice. Because Respondent failed to respond, he waived his opportunity for a hearing. (Regulation No. 2, ¶ 2.14 (c)). I then issued a Briefing Order on December 4, 2025, explaining the process for the parties to submit a written record of facts and legal arguments in the absence of a hearing. This Briefing Order was served on the Executive Director and on the Respondent via email and via U.S. Mail to the address listed by Respondent on his 2024 Statement of Financial Interest (the Vine Street address listed in the caption).

The Executive Director filed a Brief in Support of the Enforcement Notice on December

5, 2025. The Briefing Order stated that Respondent had fourteen days following the filing of the Executive Director's Brief, which in this case meant that Respondent had until December 19, 2026, in which to file a brief on his behalf. The Respondent failed to file a brief.

To ensure a full record, I then issued a Supplemental Briefing Order to the parties on February 4, 2026, which was served upon the Respondent via email and by U.S. Mail to the Vine Street address. The Supplemental Briefing Order directed the Executive Director to file a Supplemental Brief by February 18, 2026, providing additional information about communications with the Respondent prior to the filing of the Enforcement Notice. The Supplemental Briefing Order also gave the Respondent an opportunity to respond to the Supplemental Brief.

On February 18, 2026, the Executive Director filed a Supplemental Brief. The Respondent had fourteen (14) days from service of that brief in which to file a response to the Supplemental Brief, if he desired to do so. The Respondent did not file a response to the Supplemental Brief.

After the deadline for responding to the Supplemental Brief, the mailed copy of the Supplemental Briefing Order addressed to Respondent was returned to the Board's office by the U.S. Postal Service marked as "unclaimed." While it appeared that the email copy of the Supplemental Briefing Order was delivered, I directed Board staff to hand-deliver the Supplemental Briefing Order to Respondent.

A courier hand-delivered the Supplemental Briefing Order and a copy of the Executive Director's Supplemental Brief to Respondent on April 13, 2026, at Respondent's place of business at [redacted] N. Broad Street, [redacted] Philadelphia, PA [redacted] The cover letter accompanying the hand delivery gave Respondent fourteen (14) days from the date of delivery to file a response to the Supplemental Brief. The letter further emphasized that this was the final opportunity for Respondent to participate before the Hearing Officer makes a recommendation to the Board. Respondent did not file a Supplemental Brief and has not otherwise contacted Board staff about this matter.

Accordingly, I intend to close the administrative record in this matter on June 12, 2026, ten days from the date of this Order. Thereafter, I will issue my recommendation to the Board of Ethics based upon the administrative record in this matter. The administrative record includes all of the filings and correspondence in this matter. Once the record is closed, the parties may not present new facts or legal arguments. This Order is being entered in advance of closing the record to ensure that the parties understand the procedural posture of this case and to emphasize to the Respondent, who has declined to participate, that there will be no further opportunity to be heard once the record closes.

Therefore, it is **ORDERED** that the administrative record in this matter will close at 5:00 p.m. on June 12, 2026. Any party who disagrees with the closing of the administrative record on that date may, on or before June 12, 2026, file a written objection stating the factual and/or legal

basis for not closing the record, accompanied by any exhibits or other materials in support of the party's objection that are not already part of the current administrative record. Any party wishing to file an objection shall follow the standard filing procedure as previously ordered and which is summarized again as follows:

Filing Procedure. Submissions may be filed by email or by mail (USPS or commercial mail delivery service). Email filings must be sent to BOEGCStaff@phila.gov. Filings that are emailed are required to be submitted as an attachment in PDF format (not in the text body of an email) and must be received by the Board of Ethics no later than the date on which they are due. Submissions that are filed by mail must be received by the Board of Ethics by the date on which they are due and must be addressed as follows:

City of Philadelphia Board of Ethics
Jordana Greenwald, General Counsel
1515 Arch Street, 18th floor
Philadelphia, PA 19102

1. **Format of Submissions.** Written submissions shall be double-spaced in 12-point Times New Roman font. All pages (other than the cover page) of the brief shall be consecutively numbered.

2. **Exhibits.** All exhibits must be clearly marked with a letter. If a document has multiple pages, each page must be marked with the exhibit letter and the page number. For example, if Exhibit A has three pages, it should be marked "A1" on the first page, "A2" on the second, and "A3" on the third. Written submissions shall clearly cite all references to exhibits using the exhibit letter and page number.
